BEHAVIORAL HEALTH

## Lotus Behavioral Health at Park View Care Center

Lotus Behavioral Health at Park View Care Center is a dedicated inpatient facility for seniors ages 65 and older with a psych diagnosis who would benefit from therapeutic behavioral management services and programming. Our secure unit is designed to increase resident function, decrease behaviors by teaching new skills, and provide each individual with an environment that best meets their needs and enhances their quality of life.

### Therapeutic Behavioral Management

Our facility accepts those with diagnoses including, but not limited to, major depression, bipolar disorder, generalized anxiety disorder, obsessive compulsive disorder, borderline personality disorder, schizophrenia, schizoaffective disorder, delusional disorder, psychotic disorder, mental illness, and developmental delays.

### Individualized Person-Centered Care

Each resident has a specific care plan based on the unique preferences and histories of each individual designed to help them maintain and improve their overall mental and physical health.

### Specially Trained Staff

Our team members provide individual and group therapy weekly. Continuing education in this specialized field is provided routinely.

24-hour skilled nursing is always available if needed at the adjacent Park View Care Center.

### Nutritional and Medication Management

Assures that all medicines are administered as prescribed and that nutritional health is maintained at optimum levels.

### Therapy Services and Activities

Our Lotus unit is directly adjacent to the Exceptional Rehab Therapy Center providing physical, occupational and speech therapies as needed. In addition, the activities staff provides appropriate and engaging activities and our day room is equipped with games, TV and other recreational items.

Our Lotus unit also features a Relaxation Room to provide a safe and relaxing space for our residents to quiet their mind, reduce stress, and refresh and restore themselves.

### Why Lotus?

Lotus Behavioral Health is a supportive community for seniors with mental illness. We are committed to providing behavioral health in a warm, friendly environment. Resident health care and emotional needs are our priority.

The lotus symbolizes how the mind can be transformed. The lotus begins its life in muddy waters and seeks the light as it grows. Battling mental illness may seem like a bleak journey, but with the right support system and plan of care, our residents rise above the darkness and regain quality of life.

*Medicare and Medicaid certified. Most insurances accepted.*
